

ACTION PRODUCTS, INC. VENTURES INTO THE BEDDING INDUSTRY

On March 12 – 15, 2008 Action Products, Inc. joined 185 exhibitors and 3,100 visitors from 69 countries at the 2008 International Sleep Products Association (ISPA) show in Baltimore, Maryland. This is the world's largest tradeshow devoted exclusively to the mattress industry. Action Products showcased innovative manufacturing capabilities along with its signature Akton® Polymer and received a great deal of interest from bedding manufacturers seeking cooler and more comfortable sleep surfaces.
